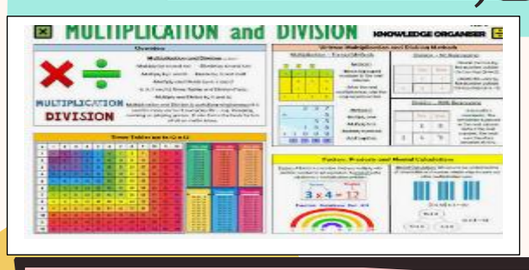
VALE VIEW SCHOOL

STANTON CLASS
TERM 2 NEWSLETTER

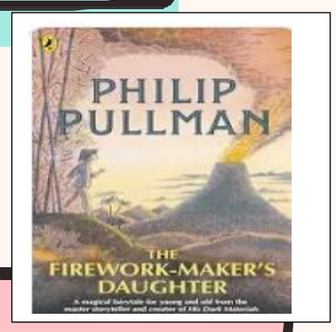
Maths

This term in maths, we are focusing on finding the area of rectilinear shapes and multiplication and division, understanding they are commutative. We will be working on our times tables: 4, 6, 9



English

In English this term, we will be reading 'The Firework Maker's daughter', writing a character description and an adventure story. For non-fiction we will be creating non-chronological reports.
In Reading we will be focusing on the skills of prediction, summerise and vocabulary.



Homelearning

Given out on Monday and will focus on spellings, times tables and the Maths we are learning about.

PSHE

How do we trat each other with respect?

RE

What are the sacraments and why are they important to Christians?

DT

Creating a steady hand game.

PE

We will be improving our swimming skills, every Wednesday afternoon. Please remember your swimming kits.

Science

In science we will be investigating what is electricity by creating electrical circuits, designing switches and finding out what materials are conductors or insulators. We will create a steady hand game to show our knowledge. Our next topic is sound, focusing on how sounds are made, what pitch is and why sounds get fainter the further away an object is.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is vvyear4@vale-view.kent.sch.uk
