

Indigo Class Newsletter

Dear Parents and Carers,
Welcome back to an action-packed term 2!

This term our topic is Electricity.

Science Year 4 - It's Electric!

This topic focuses on Science, with a little Geography with DT linked in too. We will be learning all about electrical circuits and test materials' ability to conduct electricity. Children will put their knowledge of circuits on display by building their own circuit to create a buzz-wire game/burglar alarm. Then, we will use the game to try to defeat a challenger. Who can remain 'disconnected' on the game? You will need to impress with your electrical knowhow.

We are continuing with our Spelling Bees this term - a list will come home with the termly homework.

Please remember that we try to listen to your child read as often as possible. Your child needs to bring their book and reading record in a bag every day.

We are always happy to change books regularly, as long as the reading record has been signed to show that your child has read to an adult at home.

Our PE days are Tuesday and Wednesday.

PE is an essential part of the curriculum and every

child
pair of

tracksuit bottoms and a jumper in school as well as a change of shoes that can be used for both indoor and outdoor PE.

In PE we are doing dance and swimming.

Thank you.

We are usually available at the end of the day if you need to speak to us about any worries, questions or concerns.

Mrs Burton and Mr Boniface
