

# Remote Learning Timetable

Dear Parents and Carers,

Thank you for the patience and support you have shown us whilst we have engaged with live learning this week. Although there have been a couple of hiccups along the way, we have loved seeing the children and helping them to continue their learning journey.

Next week, we will continue holding two live learning sessions – a morning and afternoon slot. We have tried hard to avoid overlaps where possible, as we appreciate siblings may be sharing devices. These live sessions will be part of the learning provision and activities on your child’s remote learning timetable. This will be made available to you through email and the school website.

Please note, there will be **no live lesson on Friday afternoon** as teachers will use this time to prepare learning for the following week.
