

<p><u>Hot or Cold Game</u> </p> <p>Hide something in your home for your family to find. Help them when they're close by saying, "You're getting hot!" Help them when they're not so close by saying, "You're getting cold!" Can they find your hidden treasures?</p>	<p><u>Movie Day</u></p> <p>Enjoy a movie day at home. Don't forget to make the tickets, prepare the snacks and get cosy under a blanket!</p> 	<p><u>Number Hunt</u></p> <p>We are starting to look at teen numbers (11-20). Go on a number hunt around your home to see how many you can find. Can you write them down?</p> 
<p><u>Sock Puppet Smeds and Smoos</u></p> <p>Can you use an old sock to make your own sock puppet Smed or Smoo? Will it be red, blue, or another colour? Think carefully about the things you could add for details.</p> 	<p><u>Flying Fun</u></p> <p>The Smeds and Smoos travel by rocket. Can you design your own flying machine that could travel around space? Maybe a paper plane or junk modelling space ship.</p> 	<p>The Smeds and the Smoos are fictional characters from our story this week. Can you design your own fictional character? Can you use your phonics to help you write some labels for your character, for example, leg.</p> 
<p>Aliens live on planets. Can you create your own planet? You might want to use junk modelling or Papier-Mache! Remember to make it colourful! Who would live there?</p> 	<p>Space is an interesting place! With an adult, can you research about space? You might want to watch some videos about rockets!</p>  <p>Kidrex - Safe searching online</p>	<p>Using Lego, and looking at the picture below, can you create some art using Lego? We are looking at space this week, can you create a space painting using Lego?</p> 

EYFS Remote Learning Grid - Week 4 - Week commencing 25th January

We are beginning to count to 20! Sing along with Jack Hartman and practice your counting to 20. Click on the link below!

[Jack Hartman!](#)

Using your imagination, can you create a space picture? You might want to draw a rocket, different planets or stars! Try and use a range of different colours when you are creating your picture!

Using the link below, can you create your own rocket. Try it with an adult. How far did your rocket go? Send your class teacher a picture using the class email address!

<https://www.purplemash.com/#tab/pm-home> - Purple mash.

<https://www.youtube.com/watch?v=MVzXKfr6e8> - a counting video.

<https://zoo.sandiegozoo.org/live-cams> - we love looking at the different animals!

<https://www.bbc.co.uk/iplayer/group/p06vkmht> - watch some of the Julia Donaldson stories on BBC iPlayer.

<https://www.alarms.org/kidrex/> - for searching the internet safely with children.

On Purple Mash a range of activities will be set in the 2Dos. Children can also explore Purplemash and complete activities that aren't set.

'We're Going on a Bear Hunt' is one of our favourite stories. Today, we're going on a winter walk. Take a look at this video to give you some ideas:

<https://www.youtube.com/watch?v=hZvgjX7A3SA>

Can you go on your own winter walk? What will you find?
