

Green Class Newsletter

Dear Parents and Carers,
Welcome back to an action packed term 4!

This term our topic is “The Garden of England”

To start this topic we will be having a planting day. The children will plant a variety of seeds for outside the classroom. We will be learning all about what plants need to grow. We will investigate different conditions of growth and record our findings. We will also be thinking about what part of a plant you can eat!

Maths

This term we will be looking at place value. We will be using our knowledge of tens and ones to add two 2 digit numbers together. We will be investigating capacity and learning how to measure accurately. We also will be taking part in the Census. So watch our webpage for updates of our fab learning.

English

Our fiction book this term is 'Peter Rabbit'. We will be writing character descriptions and also creating our own stories.

Our non-fiction next term is instructions. Due to our bake sale being such a great success some of the money has been spent on a slime making kit. The children will become scientists and create their own slime. We will then be writing a set of instructions using bossy words and exciting adjectives.

PE

Our PE lesson will continue to be on **Friday** morning this term.

Please ensure that your child's PE kit is always in school and they have the appropriate kit for both indoor and outdoor PE, including their school PE t-shirt. Earrings will not be worn during PE and children must be able to remove their own earrings. If your child does not have full kit they will may lose their merit.

Reading

The children are expected to read 3 times a week. If they read 4 times a week they get to pick out of the treat box on a Friday. Please remember to sign your children's reading record book. They must bring their reading book and record book in every day even if they haven't read the night before as we do daily reading in class.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Thank you for your participation with your child's learning at home. It really does make a difference and the children love sharing learning with you.

Ms Boslem
