

## The Whinless Down Academy

Whinless Down Academy Trust comprises of three local schools - Priory Fields, St Martin's and Vale View. We value our local and community traditions, values and individuality providing a first class education in the local area. All three schools have good facilities and are well resourced with excellent opportunities for all children.

All we ask is that you take the time to come and take a look. See for yourself what amazing opportunities we can offer your child; feel the caring ethos that your child will be a part of; hear the enthusiasm and motivation of our fabulous pupils.

*It might just be the best decision you ever made!*
