School Values

This week was the first week of implementing our new Behaviour Policy based on our school values. Children have enjoyed working towards being at the 'Top of the Ladder' and receiving rewards and recognition for their learning and for demonstrating the School Values. Parents of certificate winners were also invited to our Friday celebration assemblies.

Finally, children who went 'over and above' to demonstrate our school values attended our first

'Hot Choc Friday'.

Further information on our new behaviour policy can be found on the school website under key information / behaviour / rewards / policies.

After School Clubs

Monday : Christmas Craft Clubs Reception—Year 2 and Years 3-6 (starting on 8th November)

Wednesday : Dance Club Years Reception –Year 2 (starting on 17th November) & Home Learning Club (starting on 9th November)

Thursday : Dance Club Years 3-6 (starting on 18th November)

All clubs are free and run from 3:00pm to 4:00pm.

This term we have had a huge demand for our clubs and we know that some children will have been disappointed not to have been given a space. However, we have tried to ensure that children get at least one club, and we have also doubled the capacity for the Christmas Crafts club due to other staff volunteering their time to make this happen. Sadly Mr Cotter, who is an Academy Sports coach is leaving us this term and so the Team sports clubs will not be running.

Asthma

If your child has Asthma, you should have received an Asthma card and letter in the half term. Please can you complete the card and return it to the school office. If you did not receive a letter and your child suffers with Asthma , please let the school office know.

It is now new guidance that we have the forms completed.

Parking

Once again we have to ask parents NOT to bring your child to and from school by car unless absolutely necessary. We have had a number of complaints from local residents about poor parking, parking on double yellow lines and abusive behaviour from parents. This week there was a collision, fortunately nobody was seriously hurt. Please support us in being respectful and considerate to our neighbours and community.

Over 90% of our pupils live within walking distance.

Attendance Stars

Well Done to **Yellow Class** with the best attendance this **97.7%**

The whole school attendance this week was **94.2 %**

STAY OFF THE BANKS!

Please ensure that children are not walking on the grass banks (in front of the school gates) before school.

Unfortunately, a large amount of mud has been walked into the school this week which made a mess everywhere!

Items that your child should NOT bring to school!

We have had an increasing number of children bringing fidget spinners or poppets to school which causes a lot of issues and arguments. Toys from home are not to be brought to school unless a teacher has specifically requested.

Older children may bring a mobile phone to school, **only** if they walk to or from school by themselves. The phone must be switched off and handed to the office when they arrive. If your child is brought to and from school by an adult they must **NOT** bring a phone to school.
