

# GREEN CLASS - YEAR 2! TERM 2 NEWSLETTER

## Topic

During this topic, we will learn all about different Explorers from the past. We will go on a walk, following a map, to discover facts about some of them.

In Art we will focus on painting with watercolours inspired by the work of JMW Turner.

## Maths

In maths this term we will learn about the properties of a variety of 2D and 3D shapes.

We will also be adding and subtracting 2 digit numbers upto 100 using concrete objects and pictorial representations.

## PE

Our PE lesson will continue to be on a Wednesday this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

## English

Our learning this term will be based around the story "Lost and Found" by Oliver Jeffers". To hear the story for yourselves, please use this QR code to find it. We will be changing the characters in the story to recreate our own alternative stories.

We will be writing our own Christmas shape poems towards the end of the term too.

## Uniform

As the weather in the UK is often very changeable could you make sure that your child has a coat with them every day.

At the end of the day we are finding a lot of cardigans and jumpers without names. Could you please make sure all of their clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is
