Thank You

Last week we had phone issues and as soon as they were fixed we had internet issues! We would like to say thank you for your patience and understanding.

Be Responsible Online...

- Make sure your child knows not to share personal information like their phone number or email address online.
- Encourage them to only talk to real-life friends or family if they are on sites with a social media or chat element like Roblox.
- Use privacy settings wherever they exist to keep their information private – help your child to set these up. Remember that the default on many sites is public.
- Be a good online friend and don't say nasty things even if it's just a joke
