Online resources for home education

This document contains a variety of links to resources that are currently free to use that can support children's learning at home. They come from guidance provided by the Department of Education which can be found by following this link: <https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources>

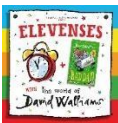

The Department for Education is not the owner or creator of most of the resources listed, and you use all content at your own risk.

Access to resources is in most cases free of charge, but it is your responsibility to check whether you have to pay to view and/or copy specific content contained within the resources.
