

YELLOW CLASS - YEAR 1!

TERM 1 NEWSLETTER

Topic

During this term, we will be learning about our bodies and the names of key body parts. In our science lessons we will then move onto learning about our 5 senses. We will then develop our knowledge and skills in art by creating self portraits.

Maths

In Maths this term we will be focusing on the place value of numbers to 100. We will look at partitioning tens and ones to better understand their value. In our topic maths lessons we will be measuring and comparing lengths using non-standard units of measurement.

PE

Our PE lesson will be on Mondays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

English

Our text this term is 'Beegu' by Alexis Deacon. We will learn the story and write about our favourite part of it. One of our writing focuses this term is using capital letters. Could you help your child practise writing their names with capital letters at the beginning?

Uniform

As the weather has been very unpredictable this summer, could you please make sure your child has a coat in school everyday. At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all of their clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is

yellowclass@vale-view.kent.sch.uk
