

Year 4 Remote Learning – Storm Ciaran

English	<p>https://www.bbc.co.uk/cbbc/watch/p00xrgf5</p> <p>Watch the video of The Fire=Work Maker's Daughter. Listen to the description of Razvani and the grotto. Draw what you think it could look like.</p> <p>Write your idea of what happens next in the story. Make it your own prediction. Don't cheat and look it up online!</p>
Maths	<p>https://www.khanacademy.org/math/cc-third-grade-math/3rd-perimeter/imp-perimeter/v/introduction-to-perimeter</p> <p>Can you use this knowledge to find the perimeter of things around your house? Think about your bedroom, your table, your bed. What else can you find the perimeter of safely?</p> <p>What could you use to measure them?</p>
Topic	<p>Electricity</p> <p>How does electricity help us in our every day lives?</p> <p>Explore your house and find which things are powered by electricity.</p> <p>Are they plugged into the mains or powered by batteries? How do you know? What does the electricity do in each thing you find? Does it power a motor? Speakers? A screen? How many uses of electricity can you find in your house?</p>

Year 4 Remote Learning – Storm Ciaran

	Which would be the hardest to live without?
MFL	<p>We are learning about homes and houses.</p> <p>Use the flashcards provided to draw a picture of different rooms in your house and label them with the correct French words.</p> <p>Can you find other words which may help your labelling?</p>

Other things you can do:

- Read your reading book and practice TTRS
- Watch Bubble Bounce and really think about your breathing [Bubble Bounce! Mindfulness for Children \(Mindful Looking\) - YouTube](#)
