

YELLOW CLASS - YEAR 1

TERM 3 NEWSLETTER

Topic

Our topic this term is Home Sweet Home. We will be studying the changes in the way houses have been built differently over time. During our Science lessons will be learning the names of and identifying the different properties of a range of materials.

Maths

Over the term we will be naming and describing the properties of a range of 2D and 3D shapes; comparing their similarities and differences.

We are also looking at division. We will be doing this very practically using manipulatives around the classroom. This should help teach the children about sharing as a basis of division.

PE

Our PE lesson will be on Mondays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

English

This term we will be reading and writing traditional tales. Our books this term are "The 3 little pigs" and the alternative story titled "The true story of the 3 little pigs" by Jon Scieszka. The children will learn the stories by acting them out, creating actions to retell the stories and by creating story maps which support their writing.

Uniform

As the weather has been very unpredictable lately, please make sure your child has a coat in school everyday.

At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all childrens' clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is

yellowclass@vale-view.kent.sch.uk
