## Term 3

### May the Force be With You!

This term, Year 3 are going to become expert physicists, learning all about forces. In art, we will be studying a range of artists who have been inspired by science. In DT, we will apply our knowledge of magnets to design, create and evaluate a game.

### Maths

In number maths this term we will be focusing on multiplication and division. This will include recapping the 2, 5 and 10-times tables, as well as securing our knowledge of the 3, 4 and 8-times tables and their corresponding division facts. Please help us to learn our times tables at home.

In topic maths, we will be learning about statistics and data handling. We will be creating and interpreting tally charts, bar graphs and pictograms.

### Reminders

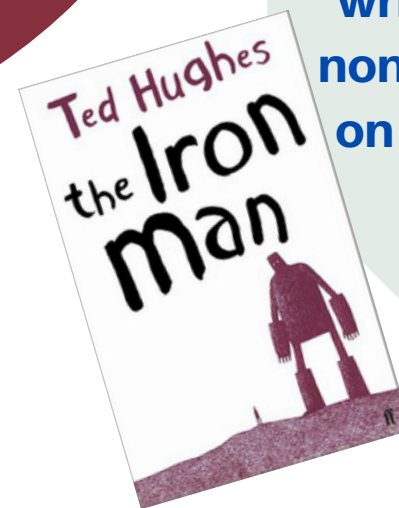

Home learning should come into school on Mondays and will be sent home again on Wednesdays. Children should read at least 3 times a week- especially on Wednesdays. Please sign in the reading record to confirm your child has read. Children have their Purple Mash login and Times Table Rockstars login in their reading records.

### PE

We will have PE on Tuesdays. Please make sure children have PE kits in school, long hair is tied back and earrings are out.

### English

This term in English, we are looking at the story of the Iron Man by Ted Hughes. We will be using this story as a model to create our own descriptive writing. We will also be writing non-chronological reports, based on our topic learning this term.
