Recycling Waste

We know that at home our families recycle plastic every fortnight using our blue lidded bins. However, not all plastics can be recycled by Kent Country Council and we would like to help!

Our Eco Defenders have researched on the KCC website to see what plastics can be recycled and which ones can't be recycled at kerbside.

We found out that the Co-op recycle soft plastics and we have decided to collect our waste at Vale View to deliver to them.

Please see our flier below to find out more details about the soft plastics we will recycle for you at school.

REDUCE, REUSE, RECYCLE!

The Eco-Defenders at Vale View School have chosen to help recycle soft plastic bags used to wrap food. These can't be recycled in local blue bins so we are helping to reduce the plastic that goes in the rubbish bin by collecting them at our school. We will recycle them for you!

Help us to reduce your waste?
