## Term 4

### Take a Look Inside

This term, Year 3 are going to become expert biologists, learning all about animals, including humans; exploring skeletons, organs, muscles and their purposes. We will also be working on our geography skills, exploring where in the world different animals live in the wild.

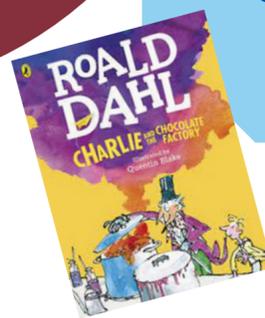

### PE

Our PE day is Thursday. Please make sure children have PE kits in school, long hair is tied back and earrings are out.

### Reminders

Home work should come into school on Mondays and will be sent home again on Wednesdays. Children should read at least 3 times a week- especially on Wednesdays. Please sign in their reading record to confirm your child has read. Any children that read every school night will get their names in a draw to win a book at the end of term! Children have their Purple Mash and Times Table Rockstars login in their reading records - please support them in using these at home.

### Maths

In number maths this term we will be focusing on fractions. We will be; counting up in tenths, recognising unit and non-unit fractions, recognising and showing equivalent fractions and adding and subtracting fractions with the same denominators.

In topic maths, we will be; recognising pairs of perpendicular and parallel lines, recognising horizontal and vertical lines and exploring angles.

### English

This term in English, we are looking at the story of 'Charlie and the Chocolate Factory' by Roald Dahl and writing our own stories based on this. We will also be exploring play scripts and adapting an extract of the story into a play script. Our non-fiction learning this term is based around instructions and recipes.
