

YELLOW CLASS - YEAR 1 TERM 4 NEWSLETTER

Topic

Our topic this term is 'Amazing Animals'. We will become super scientists and learn how to classify animals according to their diet. We will also learn about the 5 main groups; mammals, birds, reptiles, amphibians and fish.

Maths

In our topic maths lessons this term we are learning how to tell the time. We will be using analogue clocks and telling the time to the nearest hour and half past.

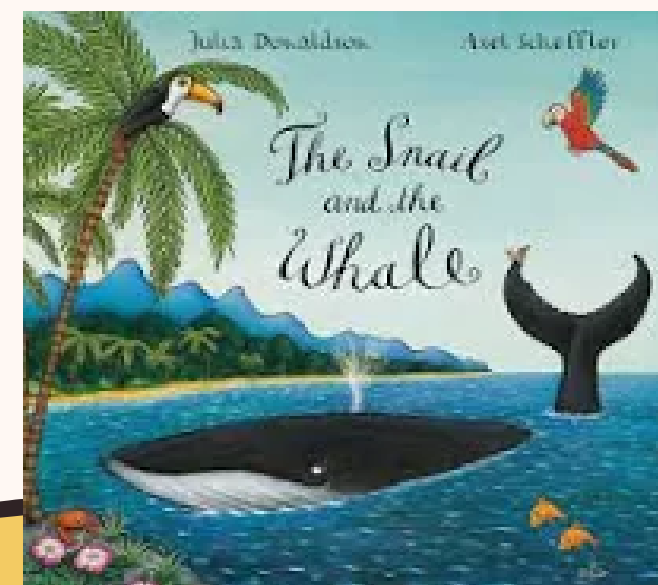

In our number maths lessons we will be looking at fractions; finding halves and quarters of amounts and shapes.

PE

Our PE lesson will be on Mondays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

English

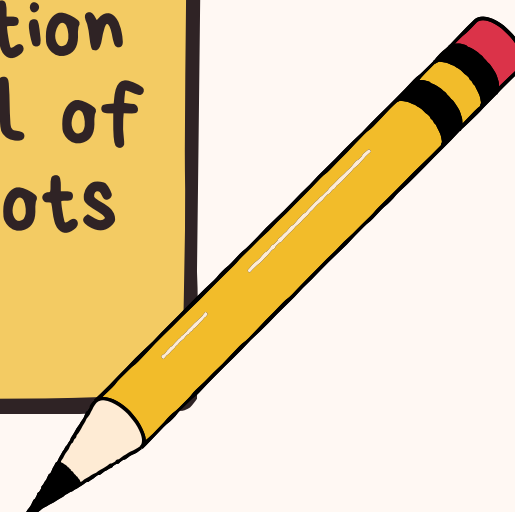

This term our learning will be linked to our topic about animals. Our book this term is "The Snail and the Whale" by Julia Donaldson. We will be creating new chapters to add to the story. The children will also be writing non-fiction reports about an animal of their choice, including lots of exciting facts.

Uniform

As the weather has been very unpredictable lately, please make sure your child has a coat in school everyday.

At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all childrens' clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is

yellowclass@vale-view.kent.sch.uk
