- Diary Entry
- Character description
- Explanation text

Spellings/ GPS:

Use of prefixes—in, im, il, ir

Use of prefixes—sub, inter, super, anti, auto

Use of apostrophes for contractions and to show possession.

Year 4 Term 4

Shape of the UK

Why do we live here? We live in the county of Kent – the garden of England, home to Charles Dickens and the main area for growing hazelnuts in the UK! The first ever James Bond book was written down the road in St. Margarets and we are the gateway to Europe being just 21 miles away from Calais in France. Where do other people live? Do you know anything about the other counties of the UK or how our country is divided up? As developing geographers, we will consider the shape of the UK as we travel from South further North. Along the way, we will practice our skills in map reading through the use of OS maps, Google Earth and atlases. You will be so inspired by the wonderful and diverse shape of the UK you will want to discover so many of these extraordinary places in the future.

In Geography we will be learning about the UK. We will study the physical and human features of the country, including landmarks and will be answering the question— **What attracts tourists to the UK?**

- In PSHE we will be answering the question—*How will we grow and change?*
- In Art we will be looking at and re-creating the work of David Hockney using computers.
- In Computing we will be creating and editing audio and video files.
- In Music we will be playing and performing melodies using stave notation.

Maths

Counting - Forwards and backwards in hundreds.

Number: Fractions

Recognise common fractions and equivalents.

Add and subtract fractions with the same denominator.

Compare decimals with up to 2 decimal places.

Topic: Position and Direction

Describe a position using co-ordinates.

Move between positions as a translation.

RE

How do family life and festivals matter to Jewish people?

PE

Monday is dance day for this term. We will need our usual PE kits.

Times Tables

By the end of year 4, children need to know all of their times tables.

We will be working on these throughout the year.
