

26th April 2024

Year 1 had an exciting learning lift-off this week by visiting a local garden centre to explore the similarities and differences in a variety of plants.

Online Safety

In a recent survey, parents told us you would like to know more about supporting your child to be safe online. We have found a wonderful resource on the NSPCC website. Please see below:

LEGO® Build & Talk

A core part of the NSPCC's 10-year strategy is to ensure children are safe online. To help achieve this, the NSPCC has teamed up with the LEGO Group to help promote their fun, free Build & Talk activities.

The six 'adventures' help parents and caregivers talk with their children about key online safety topics through the joy of LEGO play.
