

YELLOW CLASS - YEAR 1

TERM 3 NEWSLETTER

Topic

Our topic this term is 'Home Sweet Home'. We will be looking at the materials used to build houses over time. We will then look into the different properties of the material used and perform a series of scientific experiments.

Maths

This term we are continuing with the White Rose Maths scheme for all our maths learning. This term will be heavily focused on place value on numbers up to 20. Please help your child by encouraging them to read and write their numbers to 20 at home too.

PE

Our PE lesson will be on Tuesdays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

English

We are continuing with our 'Curious Quests' to help us develop our reading and writing skills. Each week we will have a different text and write our own codes to send to Professor Klunk through the magical portal. Ask your child and they will be able to tell you all about the adventures we have been going on. Our key focus will be writing a clear sentence with capital letters, finger spaces and a full stop.

Uniform

As the weather has been very unpredictable lately, please make sure your child has a coat in school everyday. At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all children's clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is

yellowclass@vale-view.kent.sch.uk
