Key Priorities 2025 2026

The quality of teaching across the school is strengthened through the use of research-based approaches to ensure consistently good teaching – this leads to improved outcomes for all pupils at the end of key transition points.

To improve clarity, confidence and fluency in spoken and written English across the curriculum by implementing research-based approaches.

Improve spelling across the school by embedding a whole school approach which raises accuracy and confidence in spelling.

Enhance playground behaviour and relationships by creating a safe, inclusive environment through positive behaviour strategies, structured play and pupil leadership.

Accelerate progress for vulnerable groups and narrow attainment gaps through high quality teaching, targeted interventions and consistent monitoring.
