# YELLOW CLASS - YEAR 1 TERM 2 NEWSLETTER

## Topic

Our topic this term is 'A Seasonal Journey'. We will start by learning about the Gunpowder Plot in our History lessons. Then we will move onto looking at the seasons in science and the changes in weather throughout the year.

## English

We are continuing with our 'Curious Quests' to help us develop our reading and writing skills. Each week we will have a different text and write our own codes to send to Professor Klunk through the magical portal. Ask your child and they will be able to tell you all about the adventures we have been going on.

## Maths

This term we are continuing with the White Rose Maths scheme for all our maths learning. This term will be heavily focused on addition and subtraction within 10. Please help your child by encouraging them to read and write their numbers to 10 at home too.

## Uniform

As the weather has been very unpredictable lately, please make sure your child has a coat in school everyday. At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all children's clothes are labelled to help confusion and risk of lost uniform.

## PE

Our PE lesson will be on Wednesdays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is
