

# GREEN CLASS

## TERM 2 NEWSLETTER

### Maths

This term in maths, we are focusing on addition and subtraction. We are learning how to use a range of strategies to add and subtract numbers. Later in the term we will be exploring 2D and 3D shapes, learning to recognise, name and describe their properties.

### Uniform

As we move into the Winter months, please make sure your child has a coat with them every day.

At the end of the day we are finding a lot of cardigans and jumpers without names. Could you please make sure all the children's clothes are labelled to help confusion and risk of lost uniform.

### PE

Our PE lesson will continue to be on Tuesdays this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

### English

In English this term, our class text is *The Polar Express*, which will inspire a range of exciting writing opportunities. The children will be creating their own magical descriptions and writing a diary entry based on the story. They will be practicing using a range of sentence types to make their writing engaging. As we get closer to Christmas, we'll be using the festive season as our hook to write some wonderful Christmas calligram poems.

### Topic

Our topic this term is Explorers! The children will be hard-working historians to learn about the incredible achievements of Amelia Earhart, Neil Armstrong, and the Choluta Climbers. In art, as aspirational artists, we will explore the beautiful work of J.M.W Turner and create our own pieces inspired by his style. Finally, as spectacular scientists, we'll be investigating materials and their properties, exploring how and why different materials are used in everyday life.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is
