

SUPPORTING YOUR CHILD

- Read at least 3 times per week with your child (preferably as much as possible)
- Log your child's reading in their reading record so they can have their name moved up for reading at home.
- Ask your child questions as they read to check their understanding read to your child, this helps build vocabulary and expression.
- Engage with the Read Alongside events throughout the school year.

**READING IS THE KEY
TO SUCCESS...**

PARENTS IN PARTNERSHIP

It is crucial for both school and parents to actively teach their child to read. We need you to create a home environment where reading is encouraged and seen as a pleasurable experience. Spending just 10-15 minutes a day reading with your child every day will be invaluable in developing their ability and desire to read and learn.

THE IMPORTANCE OF READING

The importance of reading for children cannot be underestimated. Reading for pleasure can benefit a child's education, social and cognitive development, their wellbeing and their mental health. Reading is a key life skill. It is placed at the heart of our curriculum; we have carefully selected texts based on their literary merit which will ignite children's imagination, inspire their curiosity and provide a window to the world. Evidence supports that a child's future academic success and job prospects are directly related to their reading proficiency.

SCHOOL ROUTINES

We will ensure that your child has a reading book which is suitably pitched to build both confidence as a reader and fluency. Pupils will engage in daily reading activities in school to develop reading skills and strengthen their reading stamina.
