

YELLOW CLASS - YEAR 1 TERM 4 NEWSLETTER

Topic

Our topic this term is 'Amazing Animals'. We will become super scientists and learn how to classify animals according to their diet. We will also learn about the 5 main groups; mammals, birds, reptiles, amphibians and fish.

Maths

In our maths this term we are moving on in small steps towards adding and subtracting numbers up to 50. We are using a variety of manipulatives to support us with any new concepts; this helps to embed our understanding. Please continue to support your child at home with their counting.

PE

Our PE lesson will be on Wednesday this term. Please ensure that your child's PE kit is always in school and earrings are taken out.

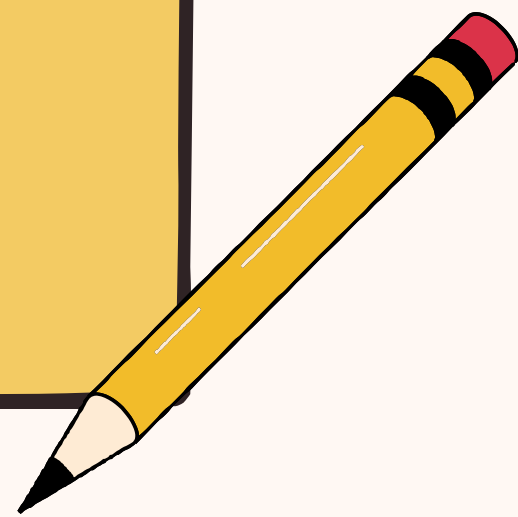

English

This term we are continuing to use Curious Quests to develop our writing. Curious Quests are helping us to be fantastic writers. One of the skills we are focusing on is how to use the conjunction "and" correctly between 2 main clauses.

Uniform

As the weather has been very unpredictable lately, please make sure your child has a coat in school everyday. At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all childrens' clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is yellowclass@vale-view.kent.sch.uk
