

Year 6 Term 5

Newsletter

Below is the timetable for the upcoming SATS tests. It will be a busy term for the children, but I know the children will all be proud of their achievements at the end of term 5.

Date	Paper
Monday 11th May	English Paper 1: GPS (Grammar, Punctuation and Spelling) English Paper 2: spelling
Tuesday 12th May	English reading paper
Wednesday 13th May	Maths Paper 1: Arithmetic Maths Paper 2: Reasoning paper
Thursday 14th May	Maths Paper 3: Reasoning paper

Creative Curriculum: In our topic work, we will finish off our learning about WW2 with a closer look at the Home Front. Children explore how rationing and propaganda influenced daily life during this time. We will finish our topic with a DT project where we will make bunting just like those used during the VE Day celebrations.

English: We will be reading Skellig by David Almond. We will be focusing on our detailed descriptions. We will be writing descriptions of the garage where Skellig is found and a missing chapter based on Michael revealing his findings to his parents.

Children will be demonstrating a range of punctuation in their writing and will continue to use a range of interesting vocabulary to capture the reader's imagination.

Please encourage your child to read for an extended period of time to build up their reading stamina and improve their speed.

Maths: We will be consolidating learning from Year Six and previous years to ensure that the children are ready to face the range of questions that they will be experiencing in the SATs. We will cover a variety of aspects of the primary Maths curriculum over the next few weeks focusing first on finding the perimeter and the area of rectilinear shapes and triangles. papers last term. Please continue to ensure your child knows their times tables to 12 x 12. 2Dos will also regularly be added on Purple Mash to support children's learning.

Home Learning: Children will continue to bring home weekly spellings and will have two activities to complete on Purple Mash. Activities are set each Monday.
