

YELLOW CLASS - YEAR 1 TERM 6 NEWSLETTER

Topic

Our topic this term is 'Beside the seaside'. We will become super historians and learn how the seashores and homes have changed since the Victorian times. We will also learn about seaside safety and the history of the RNLI.

Maths

In our maths this term we are moving on in small steps towards adding and subtracting numbers up to 100. We are using a variety of manipulatives to support us with any new concepts; this helps to embed our understanding. Please continue to support your child at home with their counting.

PE

Our PE lesson will be on Wednesdays this term. Please ensure that your child's PE kit (including PE shoes) is always in school and earrings are taken out.

English

This term we are continuing to use Curious Quests to develop our writing. Curious Quests are helping us be fantastic writers. We will continue to focus on our handwriting, sounding out new words using our phonetic knowledge and spelling our tricky words correctly (e.g. some, was, there).

Uniform

As the weather has been very unpredictable could you please pack a coat every day and put sun cream on before leaving the house.

At the end of the day we find a lot of cardigans and jumpers without names. Could you please make sure all children's clothes are labelled to help confusion and risk of lost uniform.

I am available at the end of the day if you wish to discuss any worries, questions or concerns. Alternatively, if you would like to email any questions then please use our class email which is

yellowclass@vale-view.kent.sch.uk
