

Kent Resilience Hub

Kent Resilience Hub has produced some resources and a series of webinars and short videos for parents who would like further support on supporting their child's resilience. These are available for all parents to access for free on their website.

Supporting your child

Parents and carers can access a wide variety of resources, information and support through the Kent Resilience Hub website.

 Kent Resilience Hub /

End of year preparations

As we approach the end of the school year we have a few helpful reminders;

- Carrier bag to be brought into school for exercise books (from Tuesday 14th)
- Take PE kits, lunch boxes, water bottles and all personal belongings home(anything left will be thrown away)
- Collect your end of school reports from the class teachers (released 10th July)
- All reading books to be returned to school, any additional books that are found and brought back to school, children will have their names moved up the ladder!
- On the last day of term (Fri 17th) children with medications such as asthma pumps will need to bring these home, can parents/carers check they have these when leaving the school. Thank you!

Diary Dates
