English	Maths	Science
<p>To continue with our topic of StormBreaker, can you write a non-chronological report on spies and spying?</p> <p>What can you find out about the history of spies? Who are some famous spies? What does it take to be a spy?</p> 	<p>SHAPES!</p> <p>Have a go at completing the shape challenge.</p> <p>In the first task, decide if the statements are always true, sometimes true or never true. In the second task, see if you can work out which picture goes on each of the blank faces of the cube net.</p>	<p>To help our spy survive their mission, you need to design them an outfit to keep them safe. It will need to be waterproof, warm, robust so it doesn't tear during the mission and comfortable.</p> <p>Think about a range of materials and their properties, decide which would be best suited for each part of the outfit and show your design!</p>
GPS	Topic	PE
<p>Can you use your super spy skills to solve the mystery of the obstacle course catastrophe?</p> <p>Use your knowledge of spelling and grammar to assist your marvellous deductive brains in finding the culprit!</p> <p>See the attached evidence to help you in your mission!</p>	<p>James Bond Geography</p> <p>James Bond has carried out many of his spying missions all around the world. Use the attached map to label the following countries he has been to:</p> <p>Jamaica, China, Croatia, Turkey, South Africa, Lebanon, Morocco, Azerbaijan.</p> <p>Select 3 of these countries and create a mini fact file about them that might help James Bond on a future mission</p>	<p>Obstacle course</p> <p>Design an obstacle course to be completed as part of your spy training! It should be challenging but also get your heart beating.</p> <p>Include: speed activities, balancing activities, gymnastic activities and try to include an element of problem solving (unknotting a skipping rope whilst jumping on the spot for example).</p>
Reading Challenge	Times Tables Rock Stars	Mindfulness / Well-Being
<p>Read the first chapter of Stormbreaker and answer the questions attached.</p> 	 <p>How many points can you earn on studio this week? 100? 500?! 1000?!?!?!?</p>	<p>Colours and Patterns</p>  <p>Draw your own pattern of overlapping circles. Choose two colours and colour each part in. You cannot colour two parts next to each other the same colour.</p>
