Year:	6	Term 6 Week:	4
--------------	----------	---------------------	----------

English	Maths	Secondary Transition
<p>Building on your knowledge of Skellig from last week, imagine you had discovered a monster in your garage. Draw your monster then write a detailed description of your monster.</p> <p>Remember to include expanded noun phrases. Could you use colon and semi-colons for your detailed lists? Could you up-level your vocabulary using an online thesaurus?</p>	<p>Look in the attached Maths Activities file, there you will find an investigation, fractions questions and daily arithmetic practice.</p> <p style="text-align: center;">How many activities can you complete? Remember to show your workings!</p>	<p>Logon to Purple Mash, and complete the task 'Transition- Friends'. List any worries or concerns here, and your teacher can read them.</p> <p>If you do not have access to Purple Mash, list your concerns about Secondary School and discuss them with an adult, or older sibling, they may be able to answer some concerns.</p> <p>Sill worried?? Have you looked at your new school's webpage. You can find a lot of information on them.</p>
GPS	Topic	PE
<p>Complete the attached grammar and spelling activities on the school webpage.</p> <p>The spellings for this week are words ending in -ly. Practise them using the Look Cover Write Check. Challenge: Can you write sentences using your spellings?</p> <p>Test your spellings with the attached weekly dictation.</p>	<p>Use the following link to research our very own rainforest biome in the UK https://www.edenproject.com/visit/whats-here/rainforest-biome</p> <p>What is the Eden Project? Where in the world can you find rainforest biomes? What is the temperature? What plants can you find there? What other facts can you research about the rainforest? Are there any other biomes at the Eden Project? How do they differ?</p>	<p>Create your own fitness work out for your whole body! Use your knowledge of diet and exercise from Term 1 to create a series of exercise movements. Make sure each movement is 15 repetitions each.</p> <p>Could you time yourself completing this work out? Try it at least three times, do you get quicker? Could you get other family members to join in? Who is the quickest?</p>
Reading Challenge	Times Tables Rockstars / Numbots	Mindfulness / Well-Being
<p>How many of the <i>100 books to try and read before you leave year 6</i> have you read?</p> <p>Look at the list and choose a book that you might find interesting to read.</p> <p>Alternatively, you could download free audio book from audible.com to listen to.</p> <p>Can you write a review of your chosen book?</p>	<p style="text-align: center;">Challenge 5 friends to a Rock Slam!</p> <p style="text-align: center;">Who can get the highest score? Do you improve every time?</p>	<p style="text-align: center;">Listen carefully with your eyes closed to any sounds you can hear. After one minute, open your eyes and write down everything you heard.</p>
