

# Indigo Class Newsletter

Dear Parents and Carers,  
Welcome back to Term 2.

I hope you all had an enjoyable break.

This term our topic is 'Bright Sparks'. This topic focuses on science and all things electrical.

Our text this term is 'The Firework Maker's Daughter' by Phillip Pullman. We will be using this text to create character profiles and generate our own adventures.

--

We will also be writing instructions which will link to our science focus.

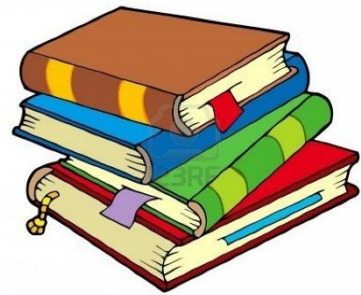

In number maths we will be exploring addition and subtraction. In topic maths we will be focusing on measurement.

In addition to this we will, of course, be practising our times tables. Please keep using Times Table Rock Stars!! Can you increase your speed?

We are continuing with our Spelling Bees this term - a list will be sent home with the termly homework.

Please remember your child needs to bring in their book and reading record every day. We are always happy to change books regularly, if the reading record has been signed to show that your child has read to an adult at home.

We will be continuing swimming this term. Swimming will be every Monday. Please ensure your child brings their swimming kit.

Our class assembly will be held on Monday 9<sup>th</sup> December at 9.00.  
Please come and join us.

Following our assembly we will be holding an exhibition to showcase our learning.

If you have any questions, worries or concerns and would like to speak to me I will be available most afternoons at the end of the school day.

Thank you  
Mrs Morris
