

Monday 6<sup>th</sup> July

TBAT write a personal reflection to  
create an emotion

SC: To do this I will:

- \* use clear and precise sentences to convey information in shortest time
- \* use vocab to evoke particular emotions

# Leavers' Video

You will be writing up memories of school experiences to read in our Leavers' video.

How do you want your parents to feel when they heard it- amused? Sad? Emotional?

How will this be achieved?

# Describing events concisely

Think about the difference between retelling the story to a friend in conversation and writing it up for people to follow in a short space of time.

# Category is:

**I'll never forget.....** *(describe the memories impact on you)*

**My favourite memory of Vale View is.....** *(this one can be silly or funny)*

**Without Vale View, I .....** *(what have we taught you.....values? Friendship? Skills?)*

**When I grow up .....** *(give details about what your hopes and dreams are)*

# Mood and message

What will be your theme/ message?

How will you achieve your desired mood?
